nuclear weapons states in bold

*The **United States** initiated the nuclear arms race in 1945 and is the only country to have used nuclear weapons in war.

Of the other nuclear powers, **South Africa** and **North Korea** voted for the negotiations; **China, India**, and **Pakistan** abstained from voting.

In 2016, these 38 countries — out of 177 — voted against negotiating a UN treaty that would outlaw nuclear weapons

WHAT
WE
CAN
DO

- **Contact** Congress and the White House to demand U.S. participation in these talks and initiate a **nuclear disarmament race**
- **Expose** these nuclear criminals by publicizing this list of countries voting against negotiating a nuclear weapons ban treaty
- **Divest** from nuclear weapons manufacturers Honeywell, Boeing, Lockheed Martin, Northrop Grumman, Raytheon
- **Refuse to pay** your income taxes for these weapons
